

**Description of mobile installation
for Vaga 2020 , Berlin August 2020 .**

« V-V TOWER «

(things must stay , things must move «

**We are all vagabond of cities , of fields , of soul , of
despair ...**

**Deserters of our own-clean consciences , all over the
world and the destroyed cities we will push our
lightened wagons from the emptiness of our past
lives .**
